[SEORAKSAN NATIONAL PARK]

The top of the mountain is covered with snow all year round, and it is designated as a biological preservation area by UNESCO because it has many rare creatures

[SKI RESORT]

The ski slopes often snow, and the snow can last for a long time, so visitors can enjoy skiing throughout the winter

[EXPERIENCE HANBOK]

Korean traditional costume form, one of the most iconic and preserved elements in Korean culture. The elegance and clear lines of Hanbok represent the true beauty and culture of Korean tradition.

[SEONGSAN ILCHULBONG]

The middle of the crater is concave. Overlooking the air, it is like a huge crown. The crown-shaped crater was therefore named "City Hill." Sunrise Peak is listed as a UNESCO World Heritage Site
